

St Joseph's School, Fairlie

Week 1

Tuesday 13th October 2020

Tena Koutou, Malo e lelei, Kumusta,

I know that you don't need reminding - but honestly, your children are so amazing! We had a successful transition week at the end of last term as we moved from two classrooms into one. Yesterday this continued. Children are incredible adapters! The blended classroom is working really well especially now that shared systems are in place around where to place items such as drink bottles, lunch boxes, sunhats and home learning books. We are so lucky to have children that are caring, supportive and eager to learn and teachers and support staff who work collaboratively! The photo below is of the children playing dodge ball together in the court space. The area has given them a nice boundary and they have friendly builders who kick back the odd wild ball! We were able to have a look through the building yesterday and Marcus Dixon (the site foreman) answered all of the children's questions. We have said to the children that if they have any questions we can put them together to ask the builders.

This term we will be looking at buildings and structures as our topic focus, which will include some visits to local sites, regular visits to our new building and the senior trip to Wellington will also provide an opportunity to look at different buildings too.

We are looking forward to the term ahead!

Please send your child to school with a water bottle.
We no longer have a water fountain during the
refurbishment work.

Pick Up and Drop Off

Please park out the front of the school/church for pick up and drop off. We will walk the children out every day after school and the children know to walk in between the church and the court fence. This is to ensure that we can see the children especially around vehicles.

Thank you for your help with this.

Building Update

Thank you to all of our incredible helpers at the end of the term who moved furniture, packaged up resources, completed a stocktake in the library and moved these to their temporary home! We honestly could not have done it without you all!

The interior of the building is now gutted and is ready for the next phase. On Wednesday this week the asbestos will be getting removed. The work will begin after 3:30pm, however the team removing it will begin setting up from 3pm.

The playground is looking fantastic - thank you to the small team who worked on this over the term break. The platforms, edges, climbing wall and fall areas have been repaired.

School Photos and Book Club

School Photos and Book Club have been sent home with your children today. Book club orders are to be back at school by Thursday 29th October.

This Thursday we are taking part in the national Shake Out, an earthquake drill. Please talk to your children at home about what you would do if an earthquake happened in your home. The Shake Out site has plenty of resources to help you prepare at home.

COVID19 UPDATE

At Alert Level 1 the risk of COVID-19 being present in the community is low.

- If you're sick, stay home. Do not go to work or school.
- If you have symptoms of cold or flu call your doctor or Healthline and get advice about being tested.
- If you have been told to self-isolate you must do so immediately.

[Get tested for COVID-19 if you have cold or flu symptoms. Tests are free](#)

- It's important that you use basic hygiene measures, including washing your hands, coughing or sneezing into your elbow and cleaning surfaces.
- You should keep track of where you've been and who you've seen. This helps with rapid contact tracing if it's required - use the contact tracing app.

Faith Facts

The spiritual reading for Term 4 is taken from Pope Francis' latest encyclical "[Fratelli tutti](#)". Each week there will be a quote from each chapter. Endeavour to read one chapter each week.

[Fratelli tutti](#) is the third encyclical promulgated by Pope Francis. The date chosen for the signing of the encyclical was October 3, 2020, in Assisi. The encyclical focuses on key themes of fraternity and social friendship. In it, the pope writes, "It is my desire that, in this our time, by acknowledging the dignity of each human person, we can contribute to the rebirth of a universal aspiration to fraternity. Fraternity between all men and women."
